Covenant of Salt

Le 2:13 Season all your grain offerings with salt. Do not leave the salt of the covenant of your God out of your grain offerings; add salt to all your offerings. (This includes offerings of time)

The offerings were seasoned with salt as a reminder of the people's covenant (contract) with God. Salt is a symbol of God's activity in a person's life, because it penetrates preserves and aids in healing.

I agree to commit to the times that were volunteered and to be an intercessor in prayer for "New Beginnings" Sarasota's First Annual Worship Festival on a daily basis. I am also in agreement with all who are believing for revival in Sarasota. We decree and declare The City of David, Sarasota FL is a place where all the arts will be creatively expressed through Praise and Worship for the Glory of our Lord Jesus Christ.
